## Maryjane's

San Diego's anti-elitist, democratic ways cater to all turn-ons. A rockin' diner in downtown San Diego. So does Maryjane's, featuring a classic American style with a contemporary twist. Listen to the sounds of the resident DJ at Sunday Brunch, catch the games at the Circular Bar, and plenty of good times and great deals during Happy Hour. Signature items include the LA sticky buns, Breakfast Burger, Disco Fries and the Pot Brownie.
